

# PASWARA PAPERS LIMITED

Since 1980

India's Leading Packaging Paper Manufacturers

A New Era of Excellence  
in **MULTI LAYER**  
**KRAFT PAPER** Industry

## Paper Products

- High Burst Strength Kraft Paper
- High RCT Fluting Paper
- Test Liner
- High Ply Bond Paper
- Kraft Board
- Abrasive Paper

# Corporate Information

## About Us

Paswara Papers Ltd is a Paswara Group Company based in India and engaged in the manufacturing of Multi Layer Kraft Paper (Corrugated Case Materials) and Kraft Paper Board, used for making packaging boxes, cartons, paper bags, etc., to cater the Specialty Paper Market in India and abroad. It is one of the oldest and largest production facility for Kraft paper having total production capacity over 225,000 MT annually, considered to be the best paper mill in India.

Corrugated Paper, manufactured from recycled paper and wholly recyclable, is a fantastic packaging choice for environmentally conscious companies looking to reduce plastic waste and carbon footprint.

In the past few years, the group has emerged to be one of the largest exporters of Kraft Paper from North India, currently exporting over 50,000 Metric Tons annually to various countries including China, Malaysia, Thailand, Vietnam, Turkey, Bangladesh, Sri Lanka, Kuwait, Ethiopia, UAE etc

## Vision

With staying focused on quality, creativity and new development, the Paswara Group envisions to establish itself as an elite paper manufacture in the World with best quality products that can be used in multiple industries. Now, the Group is underway in the establishment of another Paper Mill to manufacture Specialty Paper to meet the new demands of the market. The Group plans to increase its production to 350,000 MT per annum by the year 2025.

## Our Core Values

We have been able to grow as a vertically integrated company by adhering to a set of principles and values. Our operations revolve around the following core values:

- Excellence • Honesty • Quality • Transparency

**Quality Assurance:** We have hired high qualified professionals, who give their best to provide our clients high quality product range as per the defined standards. With the help of our expert quality controllers, flawless range of craft paper reaches at the clients' end.

The final product is checked on the following parameters:

- GSM • Burst Strength • RCT
- Colour • Finishing • Packing

**Client Satisfaction:** Our organisation is committed in building sound and mutually beneficial relationships with our customers. Due to our quality products, we have earned a lot of appreciation from our market and continuously strive to deliver maximum satisfaction to all clients.

## Our Management

We have employed diligent team of highly skilled experts that possesses industry wide experience and ample knowledge of the concerned domain.

### Our Team:

Mr Arvind Agarwal (Chairman & Managing Director)

Mr Vinod Agarwal (Whole Time Director)

Mr Kapil Singhal (Whole Time Director)

• Mr Aksheev Agarwal

• Mr Nishit Singhal

• Mr Deept Agarwal

• Mr Shobhit Agarwal

## Infrastructure

We have well-established manufacturing unit, which is installed with all the latest machines and tools required for the fabrication of our product range. This unit also facilitates us in customising our range as well as in the timely execution of the orders of our clients. We have divided our infrastructure into various units in order to avoid any kind of hesitation while working.

### Our infrastructure has the following units:

- Manufacturing Unit
- Research and Development Unit
- Quality Control Department
